
Our Approach to Leadership and Capacity Strengthening

1. Leadership Training Programs

- We offer comprehensive leadership training programs that cover essential skills such as strategic planning, public speaking, advocacy, and conflict resolution. These programs are tailored to address the specific needs and challenges faced by LGBTIQ women in Africa.

2. Mentorship and Coaching

- Our mentorship and coaching programs connect emerging LGBTIQ leaders with experienced mentors who provide guidance, support, and professional development. Mentorship helps build confidence and offers valuable insights into effective leadership.

3. Capacity Building Workshops

- We conduct capacity building workshops that focus on organizational development, project management, and resource mobilization. These workshops help LGBTIQ women-led organizations enhance their operational efficiency and impact.

4. Advocacy and Policy Influence

- Training in advocacy and policy influence is a key component of our programs. We equip LGBTIQ women with the skills to effectively engage with policymakers, advocate for their rights, and influence public policy to create more inclusive and equitable societies.
-

5. **Networking and Collaboration**

- Building strong networks is crucial for leadership and capacity building. We facilitate networking events, conferences, and collaborative projects that bring together LGBTIQ leaders from across Africa to share experiences, strategies, and support.

6. **Access to Resources and Opportunities**

- We provide access to a wide range of resources, including funding opportunities, educational materials, and professional development tools. This support helps LGBTIQ women and their organizations grow and thrive.
